Police Attempt to Locate Burglary Suspect

On Friday, May 5th, 2006, at approximately 8:30 PM, UCSB Police Officers responded to a report of an attempted burglary on the second floor of the Engineering Sciences Building. Upon returning to her office, a UCSB graduate student discovered the below female inside. The female was attempting to remove several electronic and computer items belonging to the student. Upon being discovered the suspect fled the office without any of the items. The suspect was last seen exiting the west side of the Engineering Sciences Building.

Police are asking for the public's assistance in identifying the person responsible for the attempted burglary. The victim described the suspect as a white female between 16-22 years old, approximately 5 foot 5 inches tall, thin to medium build, strawberry blonde hair (possibly dyed), speaks with a southern accent. Suspect was wearing a brown coat with exposed fleece trim similar to the ones pictured below.

Anyone with any information about this person is encouraged to contact the UCSB Police Department at 893-3446 or Crimestoppers at 1-877-800-9100. Information may be kept confidential.

Composite drawing of suspect.
